Dear Distinguished Applicant

Invitation to become Honorary President 名誉会长 / Higher Honorary President 荣誉会长 of The Federation of Merchants' Associations, Singapore

Greetings from The Federation of Merchants' Associations, Singapore.

Since its establishment in 1989, The Federation of Merchants' Associations, Singapore (FMAS) has represented the interests of merchants and hawkers operating in Housing & Development Board (HDB) shops and National Environment Agency (NEA) hawker centers. With 64 merchant and hawker association (MA/HA) members, FMAS supports more than 70% of Singapore's heartland precincts and 30% of the hawker community. Additionally, we collaborate closely with around 20,000 HDB retailers and 16,000 NEA-managed hawkers on various initiatives to enhance Singapore's heartland enterprise landscape.

In 2019, we expanded our efforts by establishing the Heartland Enterprise Centre Singapore (HECS) with support from Enterprise Singapore, a statutory board under the Ministry of Trade and Industry. HECS serves as a dedicated resource center committed to revitalizing neighborhood town centers and supporting heartland businesses.

We are pleased to invite you to become an Honorary President 名誉会长 / Higher Honorary President 荣誉会长 of FMAS. These are distinguished individuals who, in the view of the Executive Committee, have made significant contributions to Singapore's heartland community. In addition to offering products and services within heartland areas or specifically catering to the heartland community, these individuals uphold exemplary ethical standards and maintain a positive public image.

As an Honorary President 名誉会长 / Higher Honorary President 荣誉会长, you will enjoy the following privileges that can:

1. Enhance your business connections
2. Provide access to exclusive networking opportunities
3. Gain recognition for holding this prestigious membership
4. Keep you updated with the latest insights

Please see the attached Annex for more information.
